

Why Should I Use Scoot Games?

- Scoot games allow students to get up and moving while they learn!
- Use the answer key to quickly gauge student knowledge – before or after they learn about the topic.
- Students will look at different scenarios, and see how the topic presents itself in various ways.

How Do I Use Scoot Games?

- Cut out each of the 30 question cards, and post them throughout the room.
- Each student will receive a grid, and travel from spot to spot answering the question at their spot and recording it in the corresponding block.
- After about 30 seconds, the teacher will yell “SCOOT!” which means that the kids move on to the next spot.
- This game is intended to be fast-paced to keep kids moving and interested!
- After the kids finish each station, you can review the answers as a large group, or they can turn in their papers so that you can get a better idea of their understanding!
